#### About the Western Regional Minority Supplier Development Council (WRMSDC)

WRMSDC works to support people of color who have founded their own companies to make a better life for themselves, their families, and their employees. We help them gain the funding, education, and connections essential to feeding their families, supporting their communities, and building intergenerational wealth. By supporting our programs, you can help us break the cycle of poverty for future generations. Visit us at [wrmsdc.org](http://wrmsdc.org).
